Gift Aid it

Gift Aid can make your donation go even further. Gift Aid is a government scheme that allows charities to reclaim the tax you have already paid on your donations through income tax or capital gains tax.

This means you can increase your donation by 25p for every £1, at no extra cost to you.

For example, if you give £10 via Gift Aid then your gift will be worth £12.50.

Ovarian Cancer Action will be able to treat all donations that you have made for the past four years and any you make in the future as gift aided donations once you complete and return a [Gift Aid Declaration Form](#).

You must have paid enough tax in the UK in the tax year in question to cover the amount which we will reclaim. Your donations will qualify as long as they are not more than 4 times what you have paid in tax in that tax year (6 April to 5 April).

Download and return the [Gift Aid Declaration Form](#) to fundraising@ovarian.org.uk or call us on 0207 380 1730
